Church Family,

There is new opportunity to raise some tuition for all those going into college and for those who already attend a college. The CK Church of Christ is offering a one-time scholarship of \$350 dollars to seniors or college students to help with the financial costs of higher education. If you are interested in applying for this scholarship you must meet these criteria:

1. You must be a member of the CK Church of Christ
2. Applicants must be currently enrolled in an accredited college or university.
3. You must ask for the scholarship, it is not automatically given to active and prospective college students.
4. It is a one-time scholarship for your college career. You cannot have received this scholarship from us previously.

While we know this does not offset the cost of college significantly, it is our way of saying that we value our members at C.K. and their pursuit of higher education. If you would like to apply, please contact one of our elders.

## SHEPHERDS' CORNER

### Worry, Work, or Rest?

Wash the dishes, take out the trash, finish an email. Anne had more to do in life than there were hours left to do them. When she turned in for the night, she tried to fall asleep but sleep just wouldn't come. Her financial situation also weighed heavily on her mind. She had lost her job, and money was tight. The load of it all threatened to crush her.

She got up and tiptoed to the edge of the nursery where her baby slept sweetly. Little Kenny didn't feel any of the pressure she did. He didn't know what tomorrow held. He couldn't even appreciate that his parents would take care of him; they just did, and he was happy.

Anne smiled as she pictured how worried Kenny would be if he was aware of all that he needed tomorrow. He needed so many things he couldn't possibly get for himself. After all, he was just a baby, and babies can't dress themselves or fix their own breakfast. But if he realized all he needed the next day, and felt the impossibility of getting it, would he say what she'd been saying; that there was no way? Would the poor little guy stay up late fretting like she was doing?

How silly! Anne stopped short in her train of thought. Didn't she have a Heavenly Father caring for her too? A smile suddenly illuminated her face, and a weight fell from her shoulders. She could curl up and rest, even without answers, just like little Kenny, confident that her Heavenly Father had it all under control.

*"For this reason I say to you, do not be worried about your life, as to what you will eat or what you will drink; nor for your body, as to what you will put on. Is not life more than food, and the body more than clothing? Look at the birds of the air, that they do not sow, nor reap nor gather into barns, and yet your heavenly Father feeds them. Are you not worth much more than they? And who of you by being worried can add a single hour to his life? And why are you worried about clothing? Observe how the lilies of the field grow; they do not toil nor do they spin, yet I say to you that not even Solomon in all his glory clothed himself like one of these. But if God so clothes the grass of the field, which is alive today and tomorrow is thrown into the furnace, will He not much more clothe you? You of little faith! Do not worry then, saying, 'What will we eat?' or 'What will we drink?' or 'What will we wear for clothing?' For the Gentiles eagerly seek all these things; for your heavenly Father knows that you need all these things. But seek first His kingdom and His righteousness, and all these things will be added to you. So do not worry about tomorrow; for tomorrow will care for itself. Each day has enough trouble of its own. (Matt. 6: 25 – 34; NASV)*

Be blessed  
Your Shepherds

### Mission Corner

There is a new way to connect and serve at the Benedict House! The Pusey's will lead the effort for the meal once a month (organize the date, plan the meal, purchase and prepare the food, serve and eat the fellowship meal on the designated date) and the congregation can now join just to prepare the meal at 4:00 or join in the stimulating fellowship meal with the fascinating residents at 6:00. This opportunity to serve once a month will be published in the bulletin along with an update on the work among the residents there. Many have already started to take advantage of this opportunity including; Teresa Zamora, the Cornish family (Christian friends of the Pusey's from Gracepoint) and Dick and Terri Johnston. Please take a moment to chat with any one of us about our experiences with the engaging men the last two times we have served together. Many of us chatted with Christian, Ulester, Guy, Bob and Greg about their adventures in this life including sailing, Australian heritage, belief in God, presence at the hurricanes in Puerto Rico, Arkansas upbringing, current recovery from blood sepsis requiring intense daily time consuming IV therapy, jokes, literature (Ralph Rowling) and various other topics. Please keep these men in your prayers by name as we acquaint ourselves with them over time with the hope of bringing these extraordinary gentlemen to Christ and glory to our great God by, "Serving the least of these" (Matthew 25:31-46).
